**FLEMING COUNTY.**  
The returns are not all in but from those received it is evident that the vote will be very close.

**CLAY COUNTY.**  
Partial returns received from Lewis County indicate that Holt's majority will be about 400.

**TOLLEBORO.**  
A correspondent says: This precinct usually goes Republican by a majority of thirty-five or more. Holt carried it to-day by two votes only, and Parker by twenty-six. Stevenson, Democratic candidate for constable, was elected by two votes. Bullock and Wood, candidates for Superintendent of Schools, were tied.

The compromise, with a few exceptions, was ignored. The race for constable was hotly contested and the Republicans are much mortified over their defeat. The Democrats "did themselves proud."

JUDGE COLE and the county officials were notified Monday afternoon, that a mob of negroes had been organized at Mayville and would visit Mayville that night for the purpose of taking John Galvin, who last week, killed Tobias Hawkins, colored, out of the jail and lynching him. The county officers very prudently arranged to repel any force that might appear for any lawless purpose, and had it come, it would have met with a very warm reception. A posse of determined men guarded the jail, and a scouting party composed of Deputy Sheriff Dan Perrine and Messrs. James Helin and W. B. Dawson patrolled the road until an early hour this morning. There was no demonstration during the night. Criminals are promptly dealt with in this county and there is, therefore, not a shadow of an excuse for violent proceedings by a mob.

**They Were In Doubt.**  
From the Yankton Press.  
A long striped snake crawled into a basement saloon yesterday, and was in the middle of the room before anybody saw it. The inmates stood aghast and speechless for several seconds, when one of them, pointing his finger at the object, managed to articulate: "Do any of the rest of you see that?" They responded in a chorus, "Yes, we all do." "It's a great relief to me to know it," said the first, "for I thought I was going to have some attack on my nerves." "I responded the chorus, and then they fell on the snake with billiard cues and killed it.
